**Dreaming** by Shelly Hazard

May, 2009

The term "dream" can refer to both what you do during the REM (Rapid Eye Movement) period of your sleep as well as your vision or hope of the future (the most famous example probably being Martin Luther King's "I have a dream" speech). In this month's puzzle, Stanislaw J. Lec makes a humorous observation regarding the dreams of sleep. Mr. Lec was a Polish poet and aphorist, considered among the greatest writers of post-World War 2 Poland.
