Logic Puzzle 170

POSITIVE CLUES

Clue 1: A horizontal row of three boxes. The first box contains a blue triangle, the second is empty, and the third contains a green cross. To the right is a circular icon with a vertical line and arrows pointing left and right.

Clue 2: A horizontal row of three boxes. The first box contains a blue cross, the second is empty, and the third contains a yellow circle. To the right is a circular icon with a curved arrow.

Clue 3: A vertical column of three boxes. The top box contains a blue circle, the middle is empty, and the bottom contains a green triangle. To the right is a circular icon with a vertical line and arrows pointing up and down.

Clue 4: A vertical column of three boxes. The top box contains a green circle, the middle is empty, and the bottom contains a yellow triangle. To the right is a circular icon with a curved arrow.

NEGATIVE CLUES

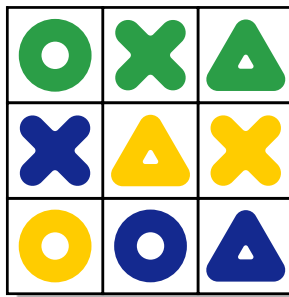

Clue 5: A 2x2 grid of boxes. The top-left box is empty, the top-right contains a white cross, the bottom-left contains a yellow cross, and the bottom-right is empty. To the right is a circular icon with a curved arrow.

Clue 6: A 2x2 grid of boxes. The top-left box is empty, the top-right contains a yellow square, the bottom-left contains a blue square, and the bottom-right is empty. To the right are two circular icons with a vertical line and arrows pointing up and down.

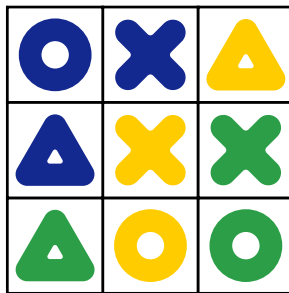

Clue 7: A horizontal row of two boxes. The left box contains a green square and the right box contains a blue square. To the right is a circular icon with a vertical line and arrows pointing left and right.
