Be My Valentine

by Shelly Hazard

In Mrs. Smith's 4th grade class, five boys have crushes on a girl. Fortunately, each boy really liked a different girl. Yesterday was Valentine's Day and to celebrate, each boy screwed up his courage and gave the girl he liked a Valentine. Not realizing that the other boys were doing the same thing, they still managed to give their Valentine's in a different place and at a different time during the school day. Determine the full name of each boy, the full name of each girl that received a Valentine, and when each girl received it.

1. During lunch, Norman gave his Valentine to the girl whose last name was Guest.
2. Rick, whose last name wasn't Smith, gave his Valentine to Heather, whose last name wasn't Fields.
3. Rebecca, whose last name wasn't Willis, wasn't given a Valentine at recess. Sara didn't receive a Valentine during gym.
4. Greg, whose last name wasn't Jeffries, gave his Valentine to a girl during recess but it wasn't Abigail. Melissa received her Valentine during homeroom but not from a boy named Foley.
5. Sam's last name was Bow. Bill, who didn't like Sara, gave his Valentine to the girl whose last name was Grant.
6. The five boys were represented by Norman, the boy whose last name was Jeffries, the boy who gave his Valentine during math class, the boy whose last name was Marsh, and the boy who gave a Valentine to Abigail Lewis.
