Senior Prom Dates

by Shelly Hazard

Next Saturday is Senior Prom Night for the Millersville High School. This always-anticipated event has had the student gossip buzzing all week. While many of the couples going were no surprise, as they'd been dating awhile, some couples would make the Senior Prom their first date. Determine the full name of each couple, and whether the Senior Prom is each couple's first date or if they'd been dating previously.

1. Dave Larsen didn't ask Ms. Green to the prom. Mr. Finch went to the prom with Ms. Jenson.
2. Thomas and the girl he asked to the prom had been dating previously.
3. The three couples who had not been dating previously were Mr. Barr and Susan, Joe and Maryann, and Ms. Swift and Edward.
4. Cindy Parker didn't go to the prom with Thomas but she did go with a boy she had dated previously.
5. Collette, whose last name wasn't Green, went to the prom with the boy whose last name was Mann.
6. Mr. Leach, whose first name wasn't Joe, went to the prom with a girl he hadn't dated before.
