

Schedule

The tentative schedule can be downloaded as the PDF file [http://rejtveny.atw.hu/schedule_EGER.pdf].

Registration fee

The fee for the first 5 person from a same country is 400 euros/person (in double rooms), for the extra persons it's 500 euros/person (double room) and 600 euros/person (single room). The registration fee covers:

- free transfer from Budapest to Eger (and back)
- stay for five nights
- competition (including the extra programs: Scrabble-, Crossword Puzzle- and Pop-rock-quiz-competition)
- meals (not only Hungarian foods but international and vegetarian meals will be available also)
- guided sightseeing
- free and fast internet in the lobby of the hotel (on two computers)
- use of the indoor swimming pool, adventure pool, bubble bath, salt cabin, sauna and the use of the fitness room
- free (protected by cameras and guards) parking place for those who arrived by car

Deadline

The deadline for registration is September 1, 2005. After that organizers will do their best to accept a delayed registration, but due to the limited space in the competition hall and in the hotel, they might have to reject that. No exact names until the deadline are required, just the size of your delegation.

Puzzles for practicing

The puzzles from the Hungarian Preliminary Championship were sent to the leaders of the WPF-members. They will be available for free to everyone from the official site [<http://www.wpc2005.ini.hu>], starting from September 5.

B-teams

However – due to the rules – only four puzzlers from a same country (A-team) will be listed in the officially ranking, the organizers welcome the extra puzzlers with a same service standard. They will make a full ranking with all the puzzlers as well, so these extra puzzlers can measure where they're standing.

Extending your stay in Hungary

If you plan to spend more time in Hungary the organizers are pleased if they could offer you cities to visit and organize your stay anywhere in the country. If you want to stay more days at the Hotel Eger & Park in the same room, you can do it for 40 euros/night/person in a double room or for 60 euros/night/person in a single one.

Special programs

Hungary and Eger offer you several special programs, e.g. cave tour in Aggtelek, tour in Bukk mountain, etc. If you prefer to take part on one of these programs, contact György István or try to find more puzzle friends (e.g. on WPF-site's forum) who'll join to you.

Our special thanks to György István for the materials provided.
