

VISUAL BRAINSTORMS®

Answer: The color on the bottom face of each block starting from left to right is... Green, Purple, and Yellow. Treating a Bambeani Block as an unfolded flat cube pattern, it is interesting to note there is also one cube face that is impossible to determine from the visual information shown.

Visual Bonus — Do Not Turn Card Over

Bonus: The Bambeani triplets are big fans of Frank Sinatra. What do all three triplets share in common with Frank?

Answer: They all have blue eyes. (Other correct answers are also acceptable.)
