and Table of Results

Sara loves baseball so for her birthday, her family gave her tickets for this weekend's major baseball league game. She went with a friend, the weather was hot and sunny, but she had good seats with a great view of the game. Both teams played very well with some exceptional hits and plays. Determine the full names of four of the players, the position each played, and each player's best hit of the game.

1. Alec played the center field position. Sam Crisp didn't get the grand slam.
2. Brad, whose last name wasn't Reach, didn't play the 1st base position.
3. The player who got a double wasn't the player who played the 3rd base position.
4. Mr. Ember didn't play in the center field position but he did get a single hit.
5. Mr. Mann got a triple. Will, whose last name wasn't Mann, didn't get a single.
6. The player in the catcher position got the grand slam.
