and Table of Results

The local church is planning a special Christmas choir for their Christmas Eve service this year. This is a new program for the church and they have high hopes for its success. The conductor has designed a creative program using traditional Christmas carols and the singers have practiced for weeks. Four of the singers have solo parts in four different songs. Determine the full name of each soloist, which part of the choir each is in, and the name of the Christmas carol in which each is singing solo.

NOTE: Female singers cannot be tenor singers and male singers cannot be soprano singers.

1. Sherry Sanford didn't sing the solo part in "Silent Night." Bruce didn't sing the solo part in "O Holy Night."
2. The soprano wasn't Ms. Sawyer.
3. "Joy to the World" was not the solo part that Mr. Smith sang in.
4. The tenor sang solo during "The First Noel." Betty was part of the alto section.
5. Mr. Short wasn't a tenor. The bass singer, who wasn't Tom, didn't perform a solo part in "Silent Night."
6. Bruce's solo part was during "Joy to the World."
