Four friends spent New Year's Eve together, reminiscing over the happenings in their lives over the year. They discovered that each of them had experienced something really good and something equally bad during the year.

Determine the full name of each friend, the worst thing that happened to them, and the best thing that happened to them.

1. Mary didn't have a new baby. Larry didn't get a new job.
2. The four friends are represented by Ms. Lark, Mr. Marlin, the woman who got married, and the man who got laid off.
3. Ms. Philler's mom died but she didn't win the lottery. Fred didn't get laid off.
4. Fred didn't break up with his fiancée or get married.
5. Mr. Marlin got a new job.
6. Sally won the lottery. Mr. Singer didn't total his car.
