Flex Time

by Shelly Hazard

The Widget Factory has just started a new program for their employees. From now on, all employees can work on a flexible time schedule. The employees greeted this new program with great enthusiasm and soon productivity in all areas was much improved. Determine the full name of five of the Widget Factory employees, their start times, and the department in which they work.

1. Ralph doesn't work in marketing. Elliot didn't start before 8:30am. The finance person didn't start at 7am.
2. Amanda's last name wasn't Station. Mr. Flannagan, the first to arrive, started at 5:30am. Miranda started before 8:30am but after the marketing person.
3. Ms. Recluse didn't start work at 6am. The person in engineering came in before Mr. Hanson, but after Ralph.
4. Amanda doesn't work in manufacturing. The person who worked in manufacturing arrived last, starting at 9am.
5. George didn't arrive at 5:30am, but he did start before the person who worked in finance.
6. Miranda Recluse didn't work in purchasing.
