Summer's here and it's hot outside! Yesterday, Sara invited three of her friends over for a day of fun in the sun, and of course, in the pool. She had the day all planned with lots of food, activities, and frolic time in the pool between events. A good time was had by all and at the end of the day, her friends agreed the party a great success. Determine each girl's full name, the activity each won, and the color of each girl's bathing suit.

1. Ms. Wilson, whose first name wasn't Sheila, didn't wear a black bathing suit. Sherry Sanford didn't win the underwater swim.
2. The girl in the purple bathing suit won the croquet game.
3. Sherry didn't wear a green bathing suit.
4. Ms. Norton, whose first name wasn't Sara, didn't win the water balloon toss. Samantha didn't win the game of croquet.
5. Sara's bathing suit was blue but her last name wasn't Wilson. Sheila didn't win any of the water games.
6. The girl with the black bathing suit won the water relay. Ms. Grimes didn't win the underwater swim.
