and Table of Results

Sara and her husband, along with three other couples, went on a sleigh ride Friday evening. With light flurries of snowflakes drifting down and cool crisp air, they snuggled down under the blanket provided while listening to the muted clip clop of the horses' hooves and the silent tinkling of the jingle bells on the harnesses. The sleigh ride took them to a big barn, where a dance was being held. Determine the full name of each couple and the title of the song each couple requested.

1. Brenda didn't request "Moonlight Serenade". The Grants didn't request "In the Mood".
2. Sara's husband wasn't Tom. Martha's husband wasn't Dave.
3. Mr. Patterson, who wasn't Dave, didn't request "Only the Lonely".
4. Michael, whose last name wasn't Grant, requested "Walking after Midnight".
5. Brian, and his wife Kathy didn't request "Moonlight Serenade", which was requested by the Warners.
6. Tom Bradley didn't request "Only the Lonely". Martha's husband wasn't Michael.
